LEARNER DRIVER FEES:

Lesson Fees with our CBT Accredited Instructors:

60 minute lessons	\$70.00
90 minute lessons	\$100.00
120 minute lessons	\$130.00

When you and your Instructor agree that you are ready to do the VORT, your Instructor will liaise with an Examiner to book you a test. Examiner fees vary from \$90 to \$150. Your Instructor and his/her car can be made available (**conditions apply), for an additional \$100.

Drive Smart Driving School does not have an Examiner within the school. Some Examiners will allow the use of your own vehicle and some will do the test in their car, but each Examiner is different in these situations.

**If you choose to do the VORT before your Instructor agrees that you are ready, then you must find your own Examiner and make a booking with them, without the use of the Instructor's vehicle.
